Mrs. CAVERN (C. Thompson)	
Mrs. CUNNEW (A. Oliphant)	
E. MOORE	
M. OSTLE	

## EDITORIAL

9 Crescent Mansions,  
Brighton 7.

Some of the Old Girls may remember a cold starched figure in a black woollen shawl which came over from the San with a rattle of keys and the tinkling of bottles to dispense medicine and give medical advice. With somewhat sardonic humour "Dunny" used to say:—"Take half a glass of castor-oil, and the sun will be shining to-morrow."

In this crisis of the school's history many of its members are taking their medicine courageously; for whatever the tragedy and pain of the closing of the Hall to-day, there is the thought of future peace and reconstruction, and the sunshine of a to-morrow when the School with its honourable traditions will once again take its place—as it has done for the last hundred years—among the foremost of our land.

ANN WANSTALL

## THE PRESIDENT'S LETTER

233 Eastern Road,  
Brighton, 7  
*November 16th, 1940*

Dear Members of the S.M.H.A.,

In my last letter I suggested that we should forego the News Letter this year but so much disappointment was caused by this that we decided to have one after all though perforce in a shortened form. The school news for last year will be found in the Annual Report which is being sent to you all with this. You will understand that in the disturbed state of the summer term, when girls were being sent for to go home almost daily, it was not possible to collect the usual reports of school activities. You will be interested, I know, to read the news of the mistresses who left the Hall in July. Of the girls who left then it is not possible to give a complete account. Thirty girls of all ages from Form VI to Form I are now at S.

Catherine's, Bramley. Through the kind invitation of Miss Symes, the Head Mistress, I spent a happy afternoon there in October and saw them all. Eileen Portas is a School Prefect and Head of a House. Jean Barker is Captain of one of the Netball Teams which includes Stella Portas and Jean Graves. Owing to the influx of St. Mary's Hall girls, hockey is being played once a week though La Crosse is the school game. Everything is being done to make the Hall contingent feel welcome and at home. Three S.M.H. girls are at the Ladies' College, Cheltenham; three at the Abbey School, Malvern; three at Blatchington Court, Kenton and one (Joan Reeson) at Queen Anne's, Caversham. Some of our day girls are at the Brighton and Hove High School and two juniors are at the Convent in Eastern Road. Meanwhile the Hall has assumed a military aspect and anyone entering is liable to be challenged by the sentry. The Common Room is now the Sergeant's Mess, the Officers have taken possession of the Drawing Room and the Staff Room has very suitably become the O.C.'s Office. We had an unwelcome visitation one night in August and scars can be seen on the hard courts, in the drive and in the Old Field. The front windows of Babington and the back windows of St. Hilary also fared badly on this and another occasion. I expect the Annual Meeting on January 11th will be held in Brighton but this cannot be definitely settled until the Committee meeting on December 7th after which Associates will be notified of the time and place. We are to have the honour of welcoming at this meeting our President, the Bishop of Chichester. I hope as many as can possibly manage it will make a point of coming so that our President may be given visible proof of the loyalty and affection he can depend upon when the happy day comes for the Hall to re-open. During the interim, when we have to forego nearly all that makes the corporate life of a school, these meetings are our best chance of keeping in touch with each other. There will be plenty of opportunity for talk on January 11th after the formal meeting is over, so do come, especially Associates from the MV upwards who joined last July or who would like to join. It will be such a delight to see you all and to hear your news and to feel once more that we are a school. My love and thoughts are always with St. Mary's Hall and all who belong to it.

Yours affectionately, E. E. STOPFORD

### MISS GHEY'S LETTER

Blunt House,

Oxted

*November, 1940*

Dear Members of the Association,

The enforced closing of the Hall must seem to all of us one of the most cruel by-products of the cruel war.

Let us, together with all other persons and causes oppressed by a disaster unwilling by us, take courage: evil does not in the long run rule the world. The patient and unresentful sharing of calamity may be a real contribution to the nation's strength: and some day there will be thanksgiving for evil overthrown. Let us all pray unceasingly for that, and for the restoring to life of all other good works and of the beloved School.

"In the same family we be,  
By the same faith and spirit led."

Yours affectionately, F. L. GHEY

Derby.

## IMPORTANT NOTICE

The Hon. Secretaries announce with great pleasure that the Rt. Rev. the Lord Bishop of Chichester, President of the Council of St. Mary's Hall, has promised to attend the Associates' Annual General Meeting on January 11th, 1940 (place to be announced later). This is a great honour for the Association and it is hoped that all members will do their very best to attend, to make the Meeting a truly representative one.

To save space and printing the Minutes of the last Meeting (January 27th 1939) will not be inserted here.

M. F. Wade, M. T. Smee, Hon. Secretaries.
