# THE ST. MARY'S HALL NEWS LETTER

## EDITORIAL

The Editor in looking back on her schooldays sees a time of strenuous endeavour, many friendships and many golden days of happiness; and though the School has now passed its centenary, she is certain that each generation as it has gone forth, and is going forth into the stress of life, looks back with great affection to those times of movement and of serenity; and especially in these days of world panic and uncertainty, all Hall girls must be thankful for what the Past has taught them and must realise the truth of Mr. John Masefield's words: 'The days that make us happy, make us wise.'

On Founder's Day the Archbishop of Canterbury shewed us that wisdom is greater than learning, and true happiness is found in the making of a home as much as, or even more than in the making of a career; and The Times was able to build a whimsical leader on our Patron's address, which past and present members of the School all over the world must have read with great pleasure and with a proper pride in their much loved Foundation.

The Editor is very grateful to M. Wade, L. Coe and L. Raynor for their staunch help, and to all those who have contributed to the Magazine.

She begs readers to send her any item of news of general interest in good time for the next number.

## THE PRESIDENT'S LETTER

St. Mary's Hall  
Brighton, 7

*August 2nd, 1939*

Dear Members of S.M.H.A.,

I write with memories of Founder's Day fresh in my mind so will begin by saying how delightful it was to see so many of you there. The S.M.H.A. Committee was especially well represented. Our Guest of Honour made it a great day for us in every sense of the word and showed most genuine and understanding interest in the School of which he is Patron. You will be glad to know that he has consented willingly to become the Patron of the Friends of St. Mary's Hall. You will read elsewhere in the News Letter the memorandum outlining the scheme for the Friends, which was circulated with the programmes on Founder's Day. As you will see, all Associates become Friends automatically and their names and addresses are being entered on the Friends' register.

The special preacher at the Founder's Day service was Bishop Walter Carey, Chaplain of Eastbourne College.

The Old Girls' Dinner last November was a great success. It is such a pleasant way of meeting Old Girls and Associates. I hope as many of you as are able to get to London for the evening will come

this year when it is being held at the Overseas Club on November 25th. It was a great joy to know that Miss Ghey was presiding over the Christmas meeting and I am so grateful to her for all her help over the elections to committee. I was very sorry to be away for this and for the whole of the Easter term. It was good to know how well everything was going under Miss Nicholson's direction. I am most thankful to her and to the staff and to the school for their splendid co-operation.

All of us who attended the summer meeting in London would like to thank Miss Owen Smith warmly for her hospitality in her charming flat. It was a most enjoyable occasion. Various events this year when we have welcomed members of the S.M.H.A. at the Hall have been the Bazaar on December 3rd and the Christmas Tableaux which were produced at the end of the Autumn term in aid of St. Mark's Building Fund.

It was very sad to say goodbye to Miss Batterbury this term. At the farewell party we had the great pleasure of welcoming Miss Ghey and Miss Galton. All girls who had ever been in the Junior House were invited. This resulted in half the school being present, including the Head Girl, Jean Walker, and four of the School Prefects. Games in the garden were followed by tea. Then there was dancing in the Elliott Hall, and after Sir Roger, the girls presented Miss Batterbury with several leaving gifts for the bungalow she is building at East Grinstead. We thank Miss Batterbury warmly for all she has done for the Hall and hope that, as she is living so near, we shall often see her at the school.

Miss Gillett, who goes to be Phyllis Elliott's vice-principal at West Heath School, Sevenoaks, will be greatly missed. Under her direction, the games and gymnastics have reached a very high level and the smooth running of this side of school life has been a tribute to her organising ability. Past and present members of Babington know how much they owe to her wise guidance. The Hall will long be the better for her twelve years of service. She takes with her our affection and thanks for all she has done. It has been a term of farewells and elsewhere you will find the school's tribute to those mistresses to whom we have said a regretful goodbye. We thank them for all they have done for the school which we hope they will often revisit.

There will be several opportunities next year of welcoming associates to the Hall. We open our seven years' programme for the Endowment Fund with a Bazaar on December 2nd. We hope to have a staff play early in the Easter Term and Sports in the Summer.

With best wishes to you all,

Yours affectionately, E. E. STOPFORD

### THE FRIENDS OF ST. MARY'S HALL

St. Mary's Hall was founded in 1836 as a school for the daughters of clergy by the Rev. Henry Venn Elliott. Generously as he gave to his foundation, he was unable to place it on an endowment but

depended, from the beginning, upon the annual subscriptions of his friends to provide a high standard of education in favourable conditions for which the fees charged could not cover the whole cost.

In 1920 when the school was thrown open to other girls besides clergy daughters, Foundation benefits being extended also to daughters of officers in H.M. Forces, and again in 1938 when non-Foundation fees were reduced and standardised, and charges for 'extras' were abolished, the Governors kept before them the aim of the Founder that a first-class education should be provided at less than its actual cost. But to maintain this aim in these days when costs are high, education has become specialised and the competition of State schools and the falling supply of pupils are causing anxiety to all Public schools, St. Mary's Hall needs more than ever the support and help of its friends.

We know these are many. Foremost among them are the Associates of St. Mary's Hall, an organisation founded by the Old Girls in 1870 to keep up their interest and to help their old school financially. Since its beginning the Association has sent an annual contribution to the funds of the Hall, a record which gives them the first right to call themselves Friends of the Hall. We hope every girl will join the Association on leaving school and continue to help the Hall in this traditional manner. An Associate becomes automatically a Friend of the Hall and her name and address are entered on the Friends' register.

But we have many friends who are not Old Girls of the school. The keen attendance at school functions and the ready support given to all undertakings to raise funds for any special purpose are tokens of this. We feel that an association is needed to bring these friends of the Hall together and to provide a sense of direction for those who have its welfare at heart and would like to be given some practical method of expression. For all these reasons 'The Friends of St. Mary's Hall' is now launched.

Membership is open to every man or woman who, for various reasons, takes an interest in the School, and is conditional upon neither entrance fee nor annual subscription. What is wanted is active interest in St. Mary's Hall.

'The Friends of St. Mary's Hall' has the ready support of the Governing Body, the Head Mistress and her Staff, and of the Committee of the St. Mary's Hall Association.

Will you please join?

It is hoped that Lady Jacob (an Old Girl) will become President; Mr. W. N. Riley and Mr. H. S. Keeson are willing to act as Honorary Treasurer and Honorary Secretary respectively.

*How, as Friends of the Hall, can you help?*

First by active interest and support. The first need of every school is pupils. Will you send your own daughter, recommend the Hall to your friends and wherever possible take or send your friends to see St. Mary's Hall for themselves?

Secondly by helping the school to start its own Endowment scheme to bridge the deficiency between the fee income and the actual expenditure on education and upkeep of the Hall, so that in its second century of existence the aim of the Founder may be maintained and a first-class education provided without the fees being raised to a standard which would keep out those for whom the school was originally founded.

It is intended that part of the contributions shall be available to the Governing Body as it sees fit in relief of demands on the current revenue of the School. You may contribute in any of four ways:—

- (a) By a single donation.
- (b) By an annual contribution, revisable at will.
- (c) By a 'covenanted subscription'. If you can undertake to contribute annually for not less than seven years, we ask that you will adopt this way in preference to (b) because it enables the school to recover the income tax notionally deducted from each subscription without cost to yourself.
- (d) By supporting the Seven Years' Programme which has been planned by the school in support of the Friends' Endowment Fund. During this period the profits raised by bazaars, plays and other functions, after the deduction of the amount already pledged to charities at home and overseas, will be given to this Fund. It is hoped to start the year 1939-40 with a school bazaar on Saturday, December 2nd, the proceeds of which will be given to the Fund.

The names and addresses of all Friends of St. Mary's Hall will be kept in a register at the school. Every Friend will be sent invitations to all school functions.

Please enrol as a Friend of St. Mary's Hall and help the school to continue and to flourish by your active interest and practical support.

### MINUTES OF ST. MARY'S HALL ASSOCIATION ANNUAL GENERAL MEETING JANUARY 14th, 1939

The 32nd Annual General Meeting of the St. Mary's Hall Association was held in the Chichester Room, Dolphin Square, Grosvenor Road, Westminster. The Meeting, which was preceded by a Committee Meeting, opened with prayer. The minutes of the previous Meeting having been printed in the News Letter, were taken as read. The Vice-President of the Association, Miss Ghey was in the chair owing to the unavoidable and much lamented absence of Miss Stopford who was still in the nursing home after an operation and therefore unable to attend. The secretary was asked to send her the following telegram:—'Missing you badly, we all send love and best wishes. Old Girls and Company'. Miss Stopford had sent one which ran thus:—'Love, best wishes, regrets. Stopford' to the Association.

Messages from Miss Forest, from Anne Hazeldine, Rose Chevallier and Lucy Coe then followed, also from Miss Galton, sending her love to all who knew her and from Mrs. Sheaves, telling of the death of Mrs. Sharpe, on December 5th last, in her 92nd year. Mrs. Sharpe was the oldest living member of the Association to which she had belonged since it began.

Mary Wade resigned the Editorship of the News Letter.

The Treasurer's Report showed that there were 14 new members, 96 Life Members, 12 new ones and 100 people had not paid their subscriptions for 1938; and out of 315 members there were 58 malefactors who owed for more than 1 year. There was a suggestion that members should retain their status for 1 year after the last News Letter had been sent out.

The Vice-President rejoiced on the length of the list of Life Members, but added that the Balance Sheet was a sad sight, and owing to the Centenary Film and News Letters there was only £13 19 9 in hand as against £45 in other years.

Miss Brocklehurst gave a Report of the Summer Meeting which had been very successful.

The Dinner Committee being asked for a Report, this was provided by M. Smee, who said that she was actually preparing a full report for the News Letter. The other members of the committee were not present. K. Chambré resigned her position as Secretary of this Committee and Mildred Riddlesdell was elected as her successor with B. Moore to assist her.

With regard to the Editorship of the News Letter, M. Wade, who was unavoidably absent had asked that the Editor should be notified of changes of address. M. Smee said that she knew M. Wade was very anxious to be free of the Editorship owing to the pressure of her work. A vote of thanks was passed to M. Wade for taking over the News Letter in an emergency although she was already secretary of the Association.

The existing secretaries, M. Wade and M. Smee, were re-elected. L. Raynor offered to train a Treasurer for a year, after which she wished to resign.

A. Wanstall then took on the News Letter editorship, address c/o 3 Leinster Square.

Mrs. Davis desired to resign from the Committee of the Association as she was moving further away and it would therefore be more difficult for her to get to meetings in future. Her time at the Hall was already represented on the Committee. It was thought convenient to appoint someone representative after 1925 or someone who had left within the last three or four years. Volunteers were invited. Finally Elizabeth Moore was chosen, proposed by M. Smee, seconded by Mrs. Cunnew. The rest of the Committee were re-elected en bloc.

The place for the next year's Annual General Meeting was discussed. The Secretary was instructed to make arrangements for this if

possible on *Saturday, 27th January, 1940* at the Y.W.C.A., Great Russell Street, or on January 20th if not. A letter from Anne Hazeldine, Assistant Director of the Y.W.C.A. was handed to the the Secretary. In this letter £1 1 0 for the afternoon was suggested and 9d. a head for a Buffet tea.

W. Owen Smith kindly invited the London Branch to hold the Summer Meeting on June 3rd, at her house, 45a Leigh Road, Highbury. This invitation was most gratefully accepted.

The President said that Miss Stopford agreed that there ought not to be so many News Letters printed. When a subscription was due for a second year a printed slip will be sent out instead to remind the defaulters, and will start next November. For the current year 620 News Letters had been printed at a cost of £21 16 0. Miss Stopford sent her love and regret at not being present.

Tea was then served to members and a pleasant afternoon ended.

Those present were Mrs. Allnutt, C. D. Atkinson, M. K. Bailey, R. V. Biven, Miss Bolton, M. Brocklehurst, Mrs. Capern, D. M. Cross, Mrs. Clarke, K. Chambre, Mrs. Cunnew, Mrs. Davis, J. Davis, M. J. Dobson, E. M. Dalton, K. N. Elwin, Miss Ghey, H. Graham, E. M. Hakim, M. Hall, M. Harwood, I. Laurence, A. Lenton, E. Lewis, M. G. Lloyd, A. E. E. Mead, E. S. Moore, Miss Miles, K. Ogden, M. G. Ostle, C. A. Peebles, H. R. Potter, H. D. Perry, P. Poyser, E. M. Roberts, L. Raynor, G. Raynor, O. Skene, M. T. Smee, Mrs. Sumner, F. E. Smith, Miss E. N. Smith, W. Owen-Smith, J. Spurrell, M. P. Thorne, Mrs. Tredennick, A. Wanstall, M. Wanstall, D. M. Williams, Mrs. Willoughby, Miss Wisdom (51).

M. T. SMEE,

*Assistant Secretary*

## SUMMER MEETING

The 1939 Summer Meeting of the Old Girls' Association was held by kind invitation of W. Owen-Smith at her home in 45a Leigh Road, Highbury, N.5.

This year the meeting took the form of a Sherry Party, and was welcomed by many as a very pleasant change.

The following members were present—Miss Stopford (Chairman), the Misses Atkinson, M. Brocklehurst, H. Carnes, D. Cross, J. Coleman, R. Elwin, A. Hazledine, M. Ostle, Perry, H. Potter, M. Smee, M. Wanstall, A. S. Webster and Mrs. Tredennick, Mrs. Atkins, Mrs. Cunnew, Mrs. Harwood, Mrs. Mead, Mrs. Rossi.

A hearty vote of thanks was given by Miss Stopford, and everyone agreed how much the afternoon had been enjoyed. M.B.

## S.M.H. OLD GIRLS' DINNER

The second S.M.H.A. Old Girls' Dinner was held on Saturday, November 26th, 1938 in the Chichester Room, Dolphin Square, Grosvenor Road, Westminster. This dinner was a great success, although, unfortunately, not attended by so many members of the Association as the previous one.

After a brief proposal of the toast of S.M.H. by the Head Girl, the first speech was made by Miss Holdsworth, who had travelled a very long way so that she might be able to reply. She began by saying she well remembered making polite speeches to lecturers after a lantern lecture at S.M.H. in which case it was always the same speech each time, but she believed that reminiscences were wanted this evening, and she could not think of anything frightfully funny!

The next speaker, Miss Nicholson, like the early settlers in S. Africa had opened her Bible at random when in need of inspiration. She had opened at the Song of Songs and found the words 'We will make mention of our love together rather than wine', which

had seemed to her singularly appropriate, as affection and loyalty towards the school were the theme for such an occasion. She added that although she had only been at the school a year, it was wonderful what a year will do. In conclusion she proposed the toast of the Association.

Miss Brocklehurst replied to the toast which gave her great pleasure and she had some amusing reminiscences for her listeners.

Finally, the President rose to give her report. First she welcomed all those present, and said there had been 67 acceptances. There were messages from E. Watson, K. Walton and A. Sibthorp. There were telegrams of good wishes from Miss Ghey and Miss Galton, A. Eacott, Lucy Coe, Mrs. Marion Cran and others. The Head Girl was Jean Walker who had proposed the toast for St. Mary's Hall. After further information about the heads of houses the President told the assembly that the Junior House was now housed at the Hall and that there was a new Domestic Science Department to which Old Girls can also be admitted on two mornings a week. The School now studies Physics and Biology instead of Botany. Miss Stopford added that the Drawing Room had been altered, that the room which used to be the Henry Venn Elliott Dormitory was now being fitted out as a Library.

Thirty-three new pupils had come to the School in the Michaelmas term but many more were wanted in the Junior House.

During the Political Crisis the Mistresses had become A.R.P. Wardens and much sand and cellophane had found its way into the School, and the basements had been equipped.

In conclusion the President told members the unique news that a diet sheet had been submitted to the specialists in that line and that upon opening the paper one morning it was discovered that Professor Mottram had expressed surprise at the originality of the menus and had added 'I should like to have been at that school'.

Then Miss Stopford thanked Mildred Riddlesdell especially, and all the Dinner Committee for their part in the arrangement of the successful evening.

The next dinner will be on November 25th at the Overseas' Club, St. James.

Time 7.15 for 7.30 p.m. Tickets 7/6. All old girls are welcome. Apply to Miss Coe at the Hall for tickets.

### ANSWER TO A SILVER JUBILEE

Dear Editor,

I was interested to read about the 25 year old circular letter and I think you would like to know about a circular letter (or 'Little Relish') which has been flourishing for more than 40 years. When I left the Hall in 1896 the sixth form of that year decided to start one and it is still going the round of all the original members, *i.e.* Kitty Darby, Jessie Dawe, Violet Helen Friedlander, Emmie Gillett, Helen Graham, Agnes Hobbins, Dorothy Ohlson.

It has been backwards and forwards to India during four years, has lived through troublous days owing to differences of opinion during the time of the militant suffragettes, has been mislaid for a month or two, but has always survived to gladden the hearts of the contributors as did the 'Little Relish' in days of old. For the sake of the uninitiated I must explain that the Sixth of our day were often regaled at breakfast with 'a little relish' consisting of half a sausage or a minute portion of bacon, and a very welcome sight they were, for otherwise breakfast consisted of bread, butter *or* rhubarb jam.

A year or two ago we had a reunion at which most were able to be present. Many of us had not met since we left school, so you can guess how interesting it was.

Yours sincerely,

HELEN GRAHAM

### CHRISTMAS TABLEAUX

Space does not permit of a very long account of the Christmas Tableaux, given on Saturday, December 17th and repeated twice on the next day.

No effort had been spared to make them really beautiful, and this year scenes from the Old and New Testament were reproduced.

To all performances parents and friends came in large numbers and many were heard to say that it was quite one of the most beautiful things of the kind that they had ever seen.

Miss Donaldson is much to be congratulated on producing the Tableaux, and our thanks are also due to Miss Carmichael who was responsible for the music.

### SALE OF WORK

After a break of one year, the Sale of Work was held again, on December 3rd.

As usual each House was responsible for a stall and a large and varied selection of Christmas gifts could be bought. Our friends are very generous in supporting us, and we had a most successful afternoon. Practically everything was sold, and the total amount realised was only a little short of £140.

In addition to our usual sums for Home and Overseas Missions, we have a very much appreciated outcome of the Sale in the form of two portable wireless sets for the Sanatorium.

The Sale is to be held again this year, on December 2nd and we shall be very pleased to see Old Girls on that afternoon, or to receive gifts for the various stalls. The proceeds this year will be given to the Endowment Fund.

### CHANGES IN THE STAFF

We have had many changes in the staff this year. First we had to say goodbye to Miss GILLET, who has left to be the Vice-Principal

at Miss Elliott's school in Sevenoaks. Miss Gillett has been the Senior Games Staff and Babington House Mistress for many years and in every sphere she has done so much for the school that it will be difficult to imagine the Hall without her. She will always have the affection and best wishes of the school behind her. We were sorry to lose Miss HALSALL who had been with us for six years and who left to be the Senior History Mistress at Westcliffe High School. Miss Halsall had been Chichester House Mistress for three years and as well as teaching history to the school she has helped many of the seniors with the difficult task of choosing a career. Miss PICKARD left to be married. She had taught physics to the seniors and in chemistry lessons throughout the school her patience and enthusiasm helped us to become more interested in scientific subjects. We were sorry to say goodbye to Miss SCOTT-CARMICHAEL who has greatly raised the standard of the singing in the whole school. The success of the singing in 'Hansel and Gretel', the Tableaux and 'The Pied Piper' was entirely due to Miss Carmichael's talented direction and tireless energy. For four years Miss SHEPHERD has taught Latin and Greek to the school and has been a House Mistress in Elliott House. She will be greatly missed. Miss AVENS who in the short time of only a year has made many friends in the school, has left to be married. We were very sorry to lose Miss WALFORD who for several years helped Miss Smith in the office. We shall always remember Miss Walford for her willing help and graciousness. St. Hilary had to say goodbye to Miss SPENCE who left after long and faithful service in the school, both in the Junior House and in St. Hilary. Elliott, Babington and St. Hilary were very sorry to lose their under-matrons, Miss SHORTER, Miss MUDIE and Miss LEWIS. The Junior House had to say goodbye to Miss DOLPHIN and Miss STEEL. To say goodbye to Miss BATTERBURY was the most difficult task for she had been a trusted friend of the school for twenty-four years. An account of Miss Batterbury's work for the Hall will be found elsewhere in these pages.

L. J. D.

### MISS BATTERBURY'S RETIREMENT

I am very thankful for the opportunity (generously given to me by Miss Stopford) of writing an appreciation for the News Letter of Miss Batterbury's work for St. Mary's Hall. From her entry in June, 1915 to in the early days of a small 'IIIB', through the eventful years of the birth and infancy and maturity of St. Nicholas House, up to my own retirement in 1936, I watched Miss Batterbury ruling her kingdom of small citizens with a wisdom, humour and kindness from which I myself was perpetually learning good lessons. The growth of her Junior House to over eighty children is a fact which speaks for itself. Miss Batterbury and her helpers (and a special word may here be said of thankfulness for dear Miss Reely, who as Matron in the new St. Nicholas helped to set the very small feet in paths of happy goodness) brought the House to a state of high

efficiency, and from it there came constantly to the Hall the future Captains, Prefects and Head Girls—for those trained by her in any junior office were quick to prove in our larger world their sense of duty and of responsibility. When, by Miss Stopford's kind invitation, Miss Galton and I were guests last month at a farewell party given in honour of Miss Batterbury, it was good to see some 120 of the school, including the Head Girl, and to realise afresh what a tremendous power for good her work during those twenty-four years has been.

### NEWS OF OLD GIRLS

**Miss Brown (Daisy)** who was at the Hall from 1865-74 writes to point out how well worth while her work was in the Institute for Tuberculosis in Montreal. She would like the members of the school to make a note of this sort of work.

**Francis Boughton** obtained a Housekeeper's Certificate in 1938 and has taken a course in the Civil Nursing Reserve in Leicester Infirmary. She hopes to take up medicine.

**Margot Bond** is taking the Hospital Almoner's Training in London.

**Eleanor Birks** is teaching in a Secondary School in Leeds.

**Joan Briggs** has been to America to see Margaret who has a small son and daughter.

**Audrey Crate** is Matron of East House, Farrington's School.

**Mary Chalmers** is nursing in St. John's House, Brighton, 7.

**Kathleen Chambré** has gained the Gold Medal of the Royal Academy for Elocution.

**Viola Cobbett** has qualified as a Teacher of Dressmaking and Needlework and is teaching at Farrington's School, Chislehurst. She has also taken part-time classes at Queen's College, Harley Street.

**Gladys Collis** writes that she has been with Dulcie Adkins for a time, but as there is a Nurse already there, and the Sisters of the Sacred Passion do work among women, she has been sent to another part of Tanganyika. Here she lives in a hospital on the hill top, near the Clergy House, and has a great deal of practice in maternity work. Dulcie who is 35 miles away has many operations, and she has now been in Africa for 12 years. The life in Tanganyika is delightful, and the work worth while; for the people are simple and lovable and respond to Christian teaching. They receive full Church instruction and after two years are baptised. The church which holds 1500 is always packed, and it is an inspiring sight to see the devout Africans at their prayers.

**Cecile Cooper** is studying Art in Brighton.

**Joan Davis** has been taking a year's course (preparatory to Nursing) at the West London Hospital.

## CIVIL NURSING RESERVE

The Civil Nursing Reserve is the recently formed body of Auxilliary Nurses who would serve in hospitals or at first-aid posts in time of a national emergency. The training which lasts 96 hours, can be done at times convenient to the volunteer, and may be taken in concentrated form lasting a fortnight, or spread over a longer period of time. Most of the volunteers have had little or no nursing experience before, but all are asked to take a course in First Aid, Home Nursing and Anti-Gas before entering hospital. The Reserve is also open to those trained nurses who have retired or given up practising for other reasons.

Personally, I found the training intensely interesting, and much of the work learnt is bound to come in useful at other times. I trained at the Leicester Royal Infirmary, a provincial hospital of considerable size and importance, and my training lasted six weeks so that I put in sixteen hours work a week.

I spent about twelve hours in the surgery where all the casualties are brought in, and saw some very interesting cases.

Another part of my training was in the X-ray department where I saw patients from a medical ward, mostly with lung trouble, being X-rayed.

One afternoon was spent in the operating theatre where I watched a cyst and an appendix being removed. It was thrilling to watch and I had never appreciated the art of surgery so much as when I saw the operation being performed.

The rest of my training was spent in a medical or surgical ward helping with the work and learning ward routine.

## THE SINGING COMPETITION

The Singing Competition was held on March 20th this year. Since the beginning of term the school had spent all its spare time practising the songs. Miss Singleton, a friend of Miss Bingham,

kindly adjudicated and at the end gave us encouragement and much helpful advice. Bristol House who sang both 'You spotted snakes with double tongues' the set song, and 'The Song of the Muses' their own choice, excellently, won the cup and we all felt that they justly deserved it.

### **LABURNUM GROVE**

On May 13th Babington House produced J. B. Priestley's 'Laburnum Grove' in the Elliott Hall. This was an ambitious choice, and is a difficult play to act, but, despite difficulties arising from the short time available for rehearsals, and the use of only the small stage, the result was highly successful. Margaret Hardy executed the chief part of George Radfern with humour and skill, and was ably supported by Judith Castle as Mrs. Radfern, Kathleen Hewitt and Lynette Stalman caused the audience great amusement by their delightful renderings of Lucy and Bernard Baxley. Stephanie Sharp charmingly filled the part of the Radfern's flighty daughter, Elsie, and Alison Nunn and Pamela Burney skilfully undertook the parts of Harold Russ, Elsie's fiancé, and Joe Fletten, George Radfern's friend. The police element in the play was admirably interpreted by Barbara Hill and Heather Chandler. The play was produced by Miss Donaldson, with her accustomed skill and finesse. A. A. H.

### **THE PUPILS' CONCERT**

The pupils' concert took place in the Summer Term, and was an outstanding event which we all enjoyed very much. It was remarkable to note how much the general standard had been raised since the concert of the previous year, and it was evident that each pupil had given much time and thought in an endeavour to make her performance reach a very high standard.

Our thanks are due to those members of the staff who went to so much trouble to make the concert such a success.

### **FOUNDER'S DAY CELEBRATIONS**

**July 26th, 1939**

#### **The Visit of His Grace the Lord Archbishop of Canterbury**

For the first time during the ninety years that St. Mary's Hall has been under the patronage of His Grace the Archbishop of Canterbury, the Primate visited the school in person and presented the prizes, earlier in the afternoon, at the Dome, Brighton. It was a very great occasion in the School's history, which will live long in the memory of the girls, to be recalled to their children and grandchildren in turn.

The Bishop of Chichester, President of the Council, was in the chair. After a short opening speech rejoicing at his Grace's presence in the Diocese of Chichester and at St. Mary's Hall, thereby conferring so great an honour on the school, he gave his place to Miss Stopford, the headmistress.

Miss Stopford gave an interesting report of the year's work and general school activities, also, an amusing account of some howlers which the girls had perpetrated.

Then came the speech which the large audience of the Dome awaited eagerly. His Grace rose and said 'Ladies and gentlemen, and those whom the Bishop has alluded to somewhat familiarly as Old Girls'.

Then he told us that his reasons for spending a whole afternoon at a girls' school in Brighton (as a friend of his had put it) were two-fold. First, he had been urged to come by a very old friend, Canon Bowlby, Headmaster of Lancing (and the persuasions of old friends were very difficult to resist); and secondly, he believed that the education received at St. Mary's Hall was of a kind not so very common in these days, and he was anxious to give it his support. He wished that the school might benefit by any publicity that his presence might be able to give it, and he asked no

commission for it. His

Grace had noted the difference

between the curriculum of a girls' school today, and that of a hundred years ago, when the girls' attention was mostly directed towards attracting and acquiring husbands, and their education left them for the most part empty-headed. There was, perhaps, the opposite danger now, that their heads might become too full. His Grace urged the girls to hold on to the best things that they learned and they would stand them in good stead in time to come. He emphasised that the greatest career for a woman was the founding of a Christian home.

His Grace's speech was most inspiring, few of us will ever forget it, and all the members of the school and Old Girls' must have felt

a thrill of pride when his Grace said the school had a long and honourable record in the history of girls' schools, for he knew of none older. His speech ended amid a burst of applause, and he told the girls, whom he had addressed separately at the end, that they were to have an extra day added to the Summer holidays in honour of his visit.

Perhaps no speech has ever been listened to with greater attention and pleasure. It had that supreme quality of balance between the light and the serious which rendered it delightful.

Colonel Elliott rose to thank his Grace for his great kindness in sparing an afternoon to visit St. Mary's Hall when the demands upon his time were so heavy. He added that it was the custom for the head-mistress to read passages from the 'Archives' on Founder's Day, and that he knew that this honour of a personal visit paid to the School by the Archbishop of Canterbury would long hold the salient place in these Archives.

The Prize-giving was followed by a truly delightful performance of 'The Pied Piper of Hamelin', the easy grace of the performers moving rhythmically to appropriate music and dressed in artistically blending colours presented a scene of wonderful aesthetic beauty, such as it would be hard to rival in any professional production. This performance was a great tribute to the 'Gilbert and Sullivan' of St. Mary's Hall, Miss Donaldson and Miss Carmichael, and their helpers.

As soon as the performance was finished visitors were skilfully transported to the Hall, where they had tea on the lawn and were invited to look over the School, and so this memorable afternoon drew to a close.

## VICAR'S PRIZE FOR ENGLISH VERSE

### THE INN

'Twas spring, and we were happy in the inn,  
 We laughed and sang—I think it can be said  
 We made a few lives brighter with our joy  
 We curved some lips and lifted many a head.  
 Then one fine morn a party of my friends  
 Went quickly, softly thro' the inn's wide door  
 Without a warning or a last farewell,  
 And I was doomed to see them never more,  
 Except for that last glimpse I had of them  
 Of tender glowing cheeks and youthful eyes  
 Eagerly gazing on a distant land  
 As would a runner look upon a prize.  
 And now the feet that ran alongside mine  
 Are set upon a far celestial sward,  
 The eyes that met my eyes and laughed at life  
 Have seen the greatest wonders and adored.  
 Their lovely limbs have blended with the earth  
 Like vernal blossoms shaken from their tree,  
 Their heads have tossed in paradisaean winds,  
 They've passed the gates of immortality.     **Sheila Norman**

The moon shines from the sky to me this night,  
 And as I gaze up to her silver face,  
 I think of all the men today who fight,  
 She sees them stand unflinching in their place.  
 She knows and feels the agony they bear  
 And surely thinks that wars and strife must cease,  
 That one day only beauty shall reign there  
 And happiness walk hand in hand with peace.  
 Perhaps this world is full of those who think  
 That sad and needless are these wars of men,  
 That soon from hatred men on earth must shrink  
 And turn this hell to paradise again . . . .  
 O God may here to us the day soon come  
 When all those shattering cannons shall be dumb.

### I SAW A LITTLE FISH

J. Pym (L iv) age 11 years

1. I saw a little fish,  
 He was swimming in the sea,  
 I did not look at him,  
 He did not look at me.
2. He had fins of blue and gold,  
 Did that pretty little fish,  
 So I caught him on a line,  
 And put him on a dish.
3. I took him home that night,  
 And ate that pretty fish,  
 And that was the end of him,  
 Upon that little dish.
