EDITORIAL

Since writing my last Editorial I have had a very narrow escape from some Jerry tip-and-run raiders which suddenly pounced down on me as I was walking along a road of residential houses. I caught sight of two ugly black planes tearing towards me at tree level, and in a split second dived with my little dog under a bush near the garden wall, for I had no time to reach the front door.

As I prayed for protection, machine-gun bullets tore into the gravel round me, and with the most terrible noise bombs were dropped on the very house in whose garden I was crouching.

Most mercifully the blast went behind me, but a cistern and a staircase flew over my head into the road. When it was over I carried my dog over the broken glass and débris where a poor dead man was lying (eight were killed in this road) and gave thanks that I was spared. I

have been in four of these tip-and-run raids and seen the Jerry planes fly rapidly on their sides, and I have heard bombs being released over our flat in the night ; but nothing has been so stark and terrifying as this experience, from which I escaped with a few scratches.

THE PRESIDENT'S LETTER

Blunt House,
Oxted.

November, 1943.

Dear St. Mary's Hall,

The Editor can allow me only a few lines: so I hasten to greet you all and thank you for all visits and letters, which have been a great joy to both Miss Galton and myself. The S.M.H.A. addresses are printed in full in this News Letter, in spite of restrictions, because it is more than ever important, while we alone are St. Mary's Hall, to keep together, to add new members, and to recall lost ones. I love to think of you all getting ready, as our great and generous tradition bids, for the merciful tasks that our country will have to do : your chance is coming to cleanse, feed, heal, comfort, clothe, educate, re-plan, re-build, when the distressed countries all over the world are liberated. Those of you who are teaching, or preparing to teach, be more than ever thankful for your vocation, for you will equip and train the builders of the new world.

Please let us all keep as closely in touch as we can ; our Annual Meeting is to be deferred, by the wish of those present last January, to April 15th, when we hope for a record gathering. Miss Galton and I will be At Home here to all who can come for the day on July 22nd; and Miss Potter suggests a meeting in late September for the " Home Counties Group," into which the London Branch has grown. I am sure that the Sussex Branch will be active too, though I have not heard any details about that.

Few cards will be sent this year; but we will greet each other in our thankful thoughts on Christmas Day.

Yours affectionately,
F. L. GHEY.

NEWS FROM MISS STOPFORD

Miss Stopford writes that St. Elphin's School is very full and that they have rented another house across the road, but even so, have not sufficient vacancies for the many applications for boarders whom she wishes she could pass on to the Hall.

Lavinia Neville, who went to St. Elphin's from the Hall, has gone up to Royal Holloway College to read for History Honours.

St. Elphin's is celebrating its centenary next year, and Miss Stopford is hoping to embark on a pageant.

ANNUAL MEETING, 1943

The Meeting took place on January 9th, 1943. Miss Ghey expressed her thanks for greetings received during the year, and said that the roots of the S.M.H.A. were very strong, and must be kept alive by meeting, writing and affirming that St. Mary's Hall is still alive. The 280 members of the S.M.H.A. were a proof to the Governors of the indestructibility of the future School.

Lois Gunnery, an Association representative on the Governing Body, next reported on the discontinuance of two pensions, and said the position of the Hall was better than a year ago, and the Governors kept careful watch over the Hall's interests. At the last meeting there was a discussion about the two pensions, from which the following facts emerged:—The Governors were not indifferent, but the fault lay years back in making no provision for pensions, which in each case were given for as long as funds permitted. The Hall was faced with heavy debts and uncertain income, and with such commitments the Governors regretfully felt they could not alter their decision. Sharing, however, the Association's feeling towards these members of the Staff who had given the School

such loyal service, they wished to make a gift of £25 provided the Association raised the same amount. The representatives therefore reluctantly decided that the Association must accept, for the moment, the Governor's decision. Miss Ghey, having also been at a recent Governor's meeting, agreed with this statement, and felt that although it was not the business of the Association to deal with pensions, yet they should be prepared to meet the Governors half way. A discussion followed, in which it was proposed that the Association should raise £25, or, if possible, £50, to make up the amount of the two pensions in the past. It was agreed that any amount over £25 should be kept to send as a gift.

The present Committee, being willing to stand, were re-elected *en bloc*.

The Secretary asked for a permanent address from each member, and that members would send in addresses of any non-members of which they knew, to help in obtaining new members.

The Treasurer reported 100 subscriptions not paid, the names of those not having paid for 1941 were not printed in the News Letter. There were 126 Life Members. Balance in bank was approximately £13, and investments in the Post Office £63.

The Editor regretted mistakes in the current News Letter.

Miss Perry kindly offered hospitality for the meeting of the London Branch on Saturday, May 15th, 1943.

L. Coe suggested that the next Annual General Meeting should be held in the spring to avoid cold, dark days. The date suggested was April 15th, 1944.

There were 42 members present.

HOME COUNTIES BRANCH SUMMER MEETING

(Late London Branch)

Our Summer Meeting was held this year on Saturday, 15th May, when Miss Perry and Miss Atkinson once again threw open their most attractive flat (at 7b, Carlton Drive, S.W.15) to all members of the Hall living in London or the Home Counties. War work inevitably prevented many from accepting their kind invitation, but in addition to our President, Miss Ghey, and Miss Galton, who came with her, there were present Misses Forrest, Lilley, Peebles, F. E. Smith and H. R. Potter, all former staff. Old girls who came were: Mrs. Clarke (M. Platts), L. Coe, Mrs. Cunnew (A. Oliphant), D. Cross, Mrs. Davis (T. Bellhouse), Mrs. Forrer (R. Farrow), J. and N. Lea-Wilson, G. Geary, E. and D. Moore, J. Neil, Mrs. Ogden (K. M. A. Powell), G. Ostle, Mrs. Russell-White (M. Bunch), O. Skene, K. Stanley and M. Wall.

In spite of so few, our common love for St. Mary's Hall made us a happy company, deeply grateful to our hostesses for giving us this opportunity of meeting friends, new and old.

Miss Ghey expressed gratitude to Miss Perry and Miss Atkinson.

With the consent of Miss Ghey and those members of Committee with whom it has been possible to get in touch, it has been decided that next year's Summer Meeting shall be held early in October. Will some heroic soul offer to act as hostess for the occasion?

H. R. POTTER.

At the next S.M.H.A. General Meeting the question of the Home Counties Branch expenses will be on the Agenda.

THE OXTED PARTY

Those of us who were lucky enough to be able to accept the invitation from Miss Ghey and Miss Galton had a great day on July 24th. We brought our (in some cases) travel-stained sandwiches, but to our amazement we were invited to a charming room, where we enjoyed delicious salads and other supplementary food.

During the afternoon we strolled round the beautiful grounds and admired the well-stocked vegetable garden, while we talked to our friends and heard news of those in the Forces.

Our hostesses thoughtfully arranged a special table for the boys and girls at tea time, so the grandchildren of the Hall enjoyed themselves as much as we did in doing full justice to Miss Galton's marvellous home-made cakes, for which she deserves *le cordon bleu*.

Miss Ghey read letters and messages from many absentees, and our thoughts turned in affectionate remembrance to each one known to us.

Our very grateful thanks are due to Miss Ghey and Miss Galton for giving nearly fifty people a very happy day.

L.C. & M.W.

THE PENSIONS FUND.

All friends of Miss Forrest and Miss Austin will be deeply relieved to know that the Association, with the help of the Governors of the Hall, was able last January partly to make up for the loss of the Pensions, so acutely regretted by us all. The following messages will bring great happiness to all concerned :—

Miss Forrest (to Lucy Coe) : " Will you please convey to the kind and generous donors my appreciation of such thought and generosity from those to whom I already owe so much, given in so many ways, and my warm thanks for this token of friendship. My connection with the Hall and all it stands for has been a happy experience and a great privilege. It is a joy to know that so many of you, in different spheres of work, are now showing the qualities of courage, cheerfulness, endurance, even to hardness. This is a fine training for the part you will take in the many walks of life in the future, and I am sure it is a help to us all who lived with you, to be able to look forward to your future."

Miss Austin (to Lucy Coe) : " It was indeed a great surprise to receive your letter and enclosure. I cannot tell you how grateful I am to the Governors and all members of the Old Girls' Association for their wonderfully kind gift. As Treasurer and sender of the cheque, I should like you to give to all concerned my most grateful thanks for their generous and considerate act, which I do appreciate more than I can express, and I send my best wishes for the future prosperity of the School when it re-opens after War ends."

IN MEMORIAM.

The Governors of St. Mary's Hall have sustained a severe loss in the death of Mr. A. W. C. Stanbury, Chairman of the Finance Committee, whose faithful labours on behalf of the School, based on his expert knowledge of finance, were most valuable.

Special mention must be made of the loss to our Association of many very dear members: The Misses French, Mrs. Clarke (Mary Millard), Mrs. Ottaway (Beatrice Saunders), Julia Sweet, Anne Hazledine, all gifted with that merciful and unselfish spirit of service which seems the heritage of members of the Hall.

Mary Ostle writes of Mrs. Ottaway: "She was one of the best, and always so good to those of us who had less than she had. Her sisters were delicate, and until her marriage she devoted herself to them. After her husband died she just wore herself out with social work. . . . She was a great woman."

The Secretary of the School of Stitchery and Lace, which was so dear to its Director, Miss Julia Sweet, writes: "Her loss is indeed great, as she was so deeply interested in helping cripples and in the training of them. She will be greatly missed, not only by the School, but by all who are interested in Cripple work."

Dorothy Cross writes of Anne Hazledine: "

The Association has suffered a grievous loss in the death of Anne Hazledine, who was at School from 1899-1908. There she was conspicuous in scholarship, music, art and games, and made many friends of all ages. Later she planned and had built a delightful Home School to satisfy her great love of children, and up to a few weeks of her death she was doing most capable and creative work for the Y.W.C.A. Those who knew her well will remember her for her gifted personality, her high ideals, her hidden humility, her sense of humour, and her unswerving loyalty to St. Mary's Hall.

The Trustees have heard with deep gratitude the news that by the Will of Anne Hazeldine the sum of £50 has been bequeathed to the Foundation Bursary Fund of St. Mary's Hall.
